

*Clone Letter of Commendation for ICP Ofc. Crumpton*

**We, the staff and residents of the CLONe Neighborhood Watch Community, would like to COMMEND Officer TJ Crumpton for his hard work and service in helping us restore peace to our community. Without his aid, we would still be hiding in our houses.... afraid to come out. With Officer Crumpton's help we removed a group of gang wannabes terrorizing our residents, drugs including several drug houses, prostitutes and some possible pit bull fighting. Officer Crumpton also aided us in deterring a four wheeling nuisance. He helped us whenever we needed him – getting trash picked up, graffiti cleared.... whatever it took to get our streets back into a place where we are all proud to call home. He believed in us and our neighborhood and we believed in and trusted him.**

**AND WE STILL VERY MUCH DO!**

**Not only were we very fond of Officer Crumpton, but he was loved, admired and respected by the neighborhood children as well.**

**One young man still calls every officer that comes to our neighborhood ... Officer Crumpton.**

**It was a pleasure and honor for us to be able to work with our awesome ICP officer – Officer Crumpton! Thanks to you, Officer Crumpton, for being there for us and for all you have done.**

**We miss you immensely, Officer Crumpton!**

**Sincerely - The CLONe Staff**

**Nancy Herrington - CLONe Coordinator/ V.I.P.**
