

CLONE Neighborhood Watch July 8th Meeting

CLONE held its tri monthly meeting at the usual place – Greater Fellowship Baptist Church. We had a good turnout – new attendees from North Columbia Pl., and Beech Dr. Some of the usual attendees from Jackson, Alverado and Midview were also there.

Refreshments were provided by Stan, Pat, and Matilda. We had planned an Auto Theft Detective to speak; but because of unforeseen circumstances he did not show. We went on to have an extremely awesome meeting anyhow. We discussed the break-in that occurred earlier that day. We discussed the huge success of our previous Yard Sale and Christmas Party.

Plans for our next Block Party on September 18th 2010 were also discussed and our next yard sale was mentioned.

Tim (B.C. for Midview) spoke of the speed hump progress on Midview. Stanley (B.C. for Bobolink spoke on getting involved and what it takes to become attuned to your surroundings. Near the end we opened up the floor for

suggestions, comments and questions and received a great deal of each from all who attended.

All in all it was a great meeting. Several attendees told us afterwards that “it was one the best meetings ever”!

Our Thanks goes out to all who made this meeting the success that it was. Hope to see each and every one at the upcoming Block Party, Yard Sale and next meeting.

Pat Mills and Nancy Herrington
