Open Letter to Dekalb PD, County Commissioners, County CEO:

We, the staff and residents of the CLONe Neighborhood Watch Community, would like to COMMEND our Dekalb County Police Department for giving us the Neighborhood Watch, Interactive Community Policing (ICP), Volunteers In Patrol (VIP) and Mobile Police Units.

These programs are the BEST things that have ever happened to Dekalb County. Without these programs, CLONe would not be here and the criminals would still rule.

It is a pleasure and honor to be able to work with our awesome ICP officers. Thanks to you all for all you have done. We LOVE and APPRECIATE you guys and gals very much !!!!!

Sincerely - The CLONe Staff

Nancy Herrington - CLONe Coordinator/ V.I.P.
